To whom it may concern

This is to certify that Mr. S. N. Bagchi from Resistoflex group of industries presented a talk on "The mathematical optimisation of vibration and shock isolation systems for industrial application" in the Machine Design Section, Department of Mechanical Engineering, Indian Institute of Technology Madras. The talk was held on 11th April 2018. The talk was attended by students and faculties of Mechanical Engineering and Applied Mechanics. The talk was followed by interactions related to the material presented.
